Vegetarian, vegan, or allergies?

Please let us know and we will do our best to help. We have gluten free bread, waffles without lactose, egg and gluten, and gluten free cakes. Of course, there is fish in the salmon sandwich and milk in the ham and cheese toast, but the codes below show the most common allergens that may not be mentioned in the text. If you are in doubt, please don't hesitate to ask us.

Egg, Fish, Gluten, Milk, Nuts, Celery: SL, Mustard: SN, Sesame seeds: SS, Shellfish: SD, Soya: SO, Sulphite: SU
